

## Catnap

Hilperton Marina

£17,500

A 36ft 1991 Severn Valley Cruisers 2 berth cruiser stern narrowboat.

Catnap is a well presented boat and an ideal size for easy management on the waterways.

She has had her engine serviced and domestic batteries replaced at the end of March this year.

She has recently been fully refitted and also had spray foam insulation at the same time. Throughout the boat is finished in Oak veneered ply and solid oak trim and fittings.

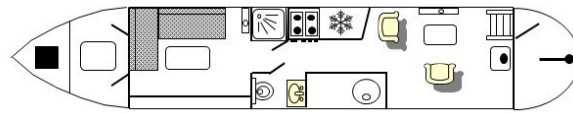

Entering from the cruiser stern is the open plan saloon and galley. The saloon has a solid fuel stove and is currently fitted with loose furniture. Large windows provide plenty of light.

The galley is well equipped with a gas cooker, and under counter fridge (240V). There are solid wood worktops with an inset stainless sink and various cupboards and drawers beneath.

A corridor leads forward and either side of this is a shower room and separate WC with cassette toilet and corner hand basin.

At the fore end of the boat is a dinette providing seating and dining space. This converts to a double bed. Double doors lead on to the front deck.

Catnap benefits from having a new Boat Safety Certificate.

Overall length	36 feet
Beam	6 feet 10 inches
Draft	--
Headroom	--
No. of berths	2
Style of stern	Cruiser
BSS certificate expiry	20th January 2023
