

Derwent

Alvechurch Marina **£29,500**

A 65ft 1996 Club Line Cruisers 4 berth traditional stern narrowboat.

Derwent is a well maintained boat, with space for family and friends to enjoy exploring the waterways.

A double glazed front door leads into the boat from the front deck.

The saloon is at the bow of the boat and although currently empty has plenty of space to add a sofa bed to extend the sleeping capacity to a 6 berth. There is a multi fuel stove for extra heating, a fixed corner unit that could house a stereo system and a TV.

Leading through the boat you come to the galley. This has a stand alone oven, stainless steel sink unit and plenty of useful built in cupboards.

The next cabin can be used as a bedroom, with seating that can be converted into 2 single berths, and a cupboard for storage.

This is adjacent to the bathroom equipped with a bath with overhead shower, corner basin and WC.

Finally at the stern of the boat is a double bedroom complete with its own wardrobe storage and vanity wash basin.

This is a boat suitable for family holidays, or for couples who may enjoy having the option of being able to entertain friends.

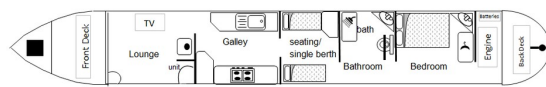

Viewing is recommended and can be arranged through Alvechurch Marina.

Additional information

All roller Blinds, TV, Eco fan, All items in roof boxes, 240v generator. Hydraulic lift pump, 240v sump pump, spare alternator, spare starter motor, spare set of diesel injectors,

wet weather clothing and 240 v shore lead.
