

Dippy Too

Worcester Marina

£55,000

A 66ft 2005 Alvechurch Boat Centre 6 berth semi traditional stern narrowboat.

Dippy Too is a well maintained boat in good condition with an internal layout that makes creative use of the space available to comfortably cater for a crew of up to 6 people.

As you descend through the semi-traditional stern you come to the first single berth on the left. There is a wardrobe on the right adjacent to the first bathroom area which includes a shower, basin and WC.

As you leave the rear cabin the second bathroom is next on the left. This has the benefit and versatility of a hip bath, WC and washbasin,

There are 2 further bedroom areas in the middle of the boat. The first houses a fixed double berth and the second has a fixed single and a personal wash basin.

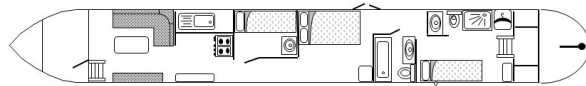

Leaving the bedroom cabins behind, you enter the open plan galley and dinette area.

The galley is fully equipped with a full oven and hob, stainless steel sink and drainer and fridge. There is plenty of practical storage by way of built in kitchen units.

The dinette is at the bow, together with seating and table. This also converts to a second double berth. Steps lead up onto the bow of the boat which comes with its own convenient cratch cover.

This is a great boat, adaptable for extended family and friends and viewing is recommended. Appointments to view can be made through Worcester Marina.
