

Heidi

Gayton Marina

£48,500

A 57ft 2006 Heron Boatbuilders 4 berth traditional stern narrowboat.

Ideally sized to cruise the length and breadth of Britain's inland waterways, this boat would be ideal for extended cruising, living aboard or even as a 'just for weekends' boat.

A large comfortable, yet cosy saloon which also has a convertible dinette area leads through to a well equipped galley with washing machine.

The bathroom is clean and modern and there are large storage cupboards just adjacent.

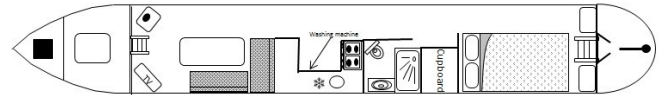

Finally there is a large comfortable double berth and on the stern deck you will find the sweetest brass tiller you've ever seen!

Must be viewed.
