

Lechwe

Kings Orchard Marina

£79,950

A 59ft 2010 Tyler/Wilson 3 berth traditional stern Jasher Tug.

Lechwe is a unique opportunity to own a replica 'Jasher' tug style narrowboat.

The wooden interior gives a warm feeling to the boat with a highlight of red to brighten each cabin.

Stepping in from the Stern you have a single berth cabin which offers plenty of storage space.

A central door leads into the engine room where the engine takes pride of place opposite ample hooks where ropes can be kept.

Next is the bathroom which has a spacious corner shower, cassette toilet and a sink.

The Galley area has plenty of storage for all your appliances, a sink with draining board, a diesel hob and oven and a standard sized fridge. The black and white tiled work surfaces gives extra space for meal prepping.

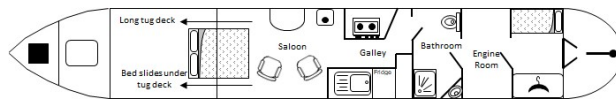

The saloon area is a multi purpose cabin which can offer a relaxing seating area in the day and a bedroom area at night. The bed you can find under the tug deck behind the curtain which can be manoeuvred in and out of the saloon when needed.

The galley and saloon has plenty of natural lighting with the side hatch, sky light and 4 port hole windows.

Lechwe exterior was repainted professionally in 2022.
