

Primrose

Gayton Marina

£46,500

A 57ft 2004 JD Boat Services 2 berth semi-traditional stern narrowboat.

With her unusual and imaginative interior design, this boat is currently a 2 berth, but there is plenty of space in the saloon to incorporate extra berths if required.

Entering from the semi-traditional stern, there is a convenient little room with wc and washbasin at the bottom of the stern steps.

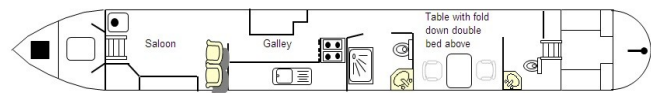

You then walk into the main rear cabin, which is equipped with a drop-down table, 2 fold-up chairs and a drop-down double bed.

The main bathroom houses a further wc, washbasin/cabinet and a smart tiled shower unit.

There is a practical galley with oven and hob, sink and drainer and plenty of storage cupboards both above and below the worktops.

Finally, the saloon area is currently open plan with a couple of easy chairs, built in useful shelving and a solid fuel stove with tiled surround next to the bow doors.

With radiators throughout, and a BSS certificate valid until 2020, this boat has been in the care of the current owner since new and is now looking for a new owner to take her out on the water again!

Overall length	57 feet
Beam	6 feet 10 inches
Draft	2 feet
Headroom	--
No. of berths	2
