

## Bobtail Five

Aldermaston  
Wharf

£55,000

A 55ft 1994 Mel Davis 4 berth traditional stern narrowboat.

Bobtail Five is an attractive and unique boat, built by the well known Mel Davis boat builders. Mel Davis narrowboat shells are very sought after with their bobtail stern and inset rear panels .

Bobtail Five is painted in a striking green, red and gold livery. She was last blacked and had anodes fitted in June 2019.

Leading from the stern is the engine bay. Steps from here lead into the bedroom.

The bedroom has a double bed with wall shelves above it. There is also a cupboard at the foot of the bed for extra storage.

Next is a well presented bathroom. This has a toilet, basin and a glass screened shower.

After this is a well equipped L shaped galley. This comes with a cooker, hob, microwave, undercounter fridge and a sink. There is worktop space on either side of the galley and plenty of undercounter cupboards for storage.

Leading on from this is a comfortable saloon. It has an L shaped seating area, ideal for entertaining. The fold up table can be moved to this area to create a comfortable dining area. There is also an easy chair, wall shelving unit, a tv cabinet and a multi fuel stove. Steps then lead out onto the bow deck which is covered with a cratch cover.

The boat also has central heating throughout so you will be cosy when the temperatures fall.

Bobtail Five has a safety certificate until December 2023.

12 months leisure mooring for the price of 9 at Gayton or Anderton Marina when purchasing this boat.
