

## Jim

Gayton Marina

£55,000

A 58ft 2010 Kate Boats 6 berth semi-traditional stern narrowboat.

A well-equipped narrowboat with a versatile design, offering a variety of layouts that could suit couples or families/friends. Jim was blacked and fitted with new anodes in 2023 and comes with a Boat Safety Certificate valid until 2026.

A sociable semi-traditional stern is followed by the first of 2 bedrooms - this can be configured either as 2 single beds or a large double bed utilising the whole width of the boat.

Between the 2 bedrooms is a bathroom fitted with pump out toilet, vanity unit with basin, enclosed shower cubicle and useful shelving.

The second bedroom is a fixed double berth with central heating radiator to the side.

There is then a 'U' shaped galley with sink and draining board, freestanding oven, under counter fridge, a microwave oven, and storage space and cupboards a-plenty. A side hatch also features here for good ventilation whilst cooking.

Finally there is a good sized dinette/saloon area with sofa seating and dining table, which can be converted to provide an additional double bed for guests.

Steps lead to double doors opening onto the bow deck which has benches to either side.
