

Odysseus

Nantwich Canal
Centre

£32,000

A 50ft 1990 Durham Steel Craft 4 berth traditional stern narrowboat.

Odysseus is a well presented traditional stern narrowboat, whose beautiful wood panelled interior would make a cosy floating home or an ideal holiday vessel.

As you enter through the traditional stern, you first reach the bedroom. This has a double berth and a storage cupboard.

Next along is the bathroom. This is fitted with a hip bath, shower, basin and a cassette toilet.

Following the bathroom is a Pullman style dinette which can be converted into a double berth, if required. There is also a side hatch for extra ventilation.

The galley comes next. This comes equipped with a gas cooker and hob, undercounter fridge and a sink and drainer. There is also ample worktop space and plenty of cupboard storage.

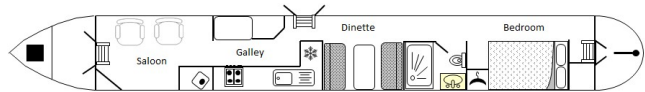

The final cabin is the saloon. This has a Morso solid fuel stove and 2 easy chairs.

Steps then lead you out onto a cratch covered bow deck with bench style seating.

Odysseus has a Boat Safety Certificate, valid until May 2025.

To make enquiries or arrange to view, please contact Nantwich Canal Centre on 01270 625122.
