

# Owamyia

Alvechurch  
Marina

£49,500

A 58ft 2001 G T Boatbuilders 2 berth traditional stern narrowboat.

A modern and well equipped narrowboat, suitable for use as a holiday home or live-aboard. As well as central heating, Owamyia comes equipped with a diesel fuelled freestanding stove in the saloon.

From the traditional stern, steps lead down to a useful storage area or 'boatman's cabin'. Forward of this, a bi-folding door opens into a fixed double berth bedroom, with storage space at either end.

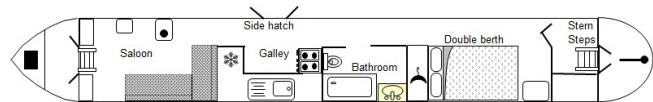

The bathroom contains vanity unit, wc, shallow bath and shower above. A porthole-style window features here.

Moving forward again, the galley is well laid out with oven, sink and drainer, fridge and ample work surfaces and storage cupboards. There is a side hatch opposite the galley which is decorated with a pretty 'roses' design.

The final cabin in the boat is the saloon, which currently contains seating, storage, and the aforementioned stove. Doors lead out onto the covered bow area with its pretty stained glass window.

12 months leisure mooring for the price of 9 at Gayton, Anderton or Alvechurch Marina when purchasing this boat.
