

Phantom

Whitchurch
Marina

£45,450

A 50ft 1991 R & D Fabrications 2 berth traditional stern narrowboat.

A great opportunity to purchase this freshly refurbished narrowboat with modern touches.

As you enter the boat itself through the rear doors, steps lead down to the bedroom through a small but useful boatman's cabin with plenty of storage space. Into the bedroom itself there is a fixed double bed with drawers underneath and cupboards above. There is also a full height wardrobe and shelving above the large radiator.

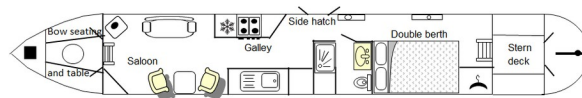

Following on from this is the tastefully decorated bathroom with a shower cubicle, cassette toilet and wash basin with vanity unit underneath.

Through into the galley past the large side hatch there is a good amount of work surface and high level storage with separate oven and hob, under counter fridge and sink/draining board.

Finally the forward saloon is beautifully furnished with freestanding furniture including a sofa which can be converted to a double berth for guests. The sofa and chairs are not included in the sale price but may be available by separate negotiation. A wood burning stove sits in the corner close to the glazed double doors which lead out to a exceptionally large front deck area with useful and plentiful storage underneath the bench seats on either side.

Phantom benefits from gas central heating throughout, and comes with a Boat Safety Certificate that is valid until 2027.

To make enquiries or arrange to view, please contact Whitchurch Marina on 01948 662012.
