

Rochester

Anderton Marina

£44,950

A 55ft 2001 Johnathan Wilson 4 berth traditional stern narrowboat.

Rochester is a very eye-catching boat with a pale blue/grey themed livery and interior. Ideally sized for cruising the length and breadth of Britain's canal network, this boat would be equally suitable as a holiday home or a live aboard, especially as she even has a washing machine!

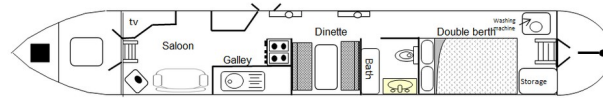

The stern leads via storage and utility space to a decent sized double bedroom and then on to a bathroom which is decorated with blue mosaic tiles, a quirky blue framed mirror and has both a bath and a shower.

There is a Pullman style dinette next to the galley, which can be converted to provide a second double bed for guests.

The galley kitchen has all the usual appliances including a microwave, full sized oven, grill and hob, and plenty of sleek and stylish work space. A side hatch features here for extra ventilation if needed when cooking!

Finally the cosy saloon area has a Stovax multi fuel stove, wall mounted tv, storage cupboards and shelves and a comfortable sofa for relaxing.

We think Rochester will be snapped up! To arrange to view, please contact Anderton Marina on 01606 79642.
