

Swift II

Goytre Wharf

£4,000

A 22ft Dawncraft 2 berth Motor Cruiser

Swift II has a lot of potential and would make a great project boat.

The rear deck offers you a seating area, a cool box and a steering wheel. The Rear Deck has a cratch cover to protect you and the Captain whilst cruising or stationery.

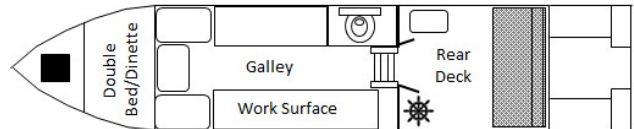

Stepping into Swift II you have your Galley area which includes a work surface, an under counter microwave and some storage. To the right you have a door to a cassette toilet onboard, more work surfaces and a TV.

There is a seating area with small table for hosting in the day and this converts into a temporary double bed on the evening.

Swift II has a valid Boat Safety Certificate until September 2024.
