

Tarnwood

Goytre Wharf

£10,750

A 27ft 1973 Dawncraft 4 berth GRP motor cruiser.

This motor cruiser is big enough to accommodate up to 4 people, but small enough to negotiate the twists and turns of the Mon & Brec canal with ease.

A central cockpit sits between 2 separate cabins; the rear one is currently a blank canvas, with bench style shelving that could be used to provide 2 single beds. There is a Porta Potti which sits underneath one of the berths, but there is space in here to fit a permanent wc/washroom if one of the berths was sacrificed.

The cockpit itself has padded bench seats on either side and a cratch cover giving full cover in inclement weather.

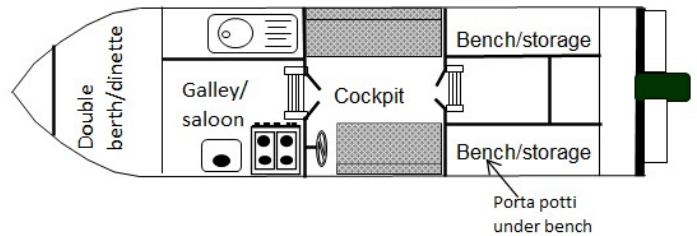

Forward from the cockpit, you step down into the front cabin. This is smartly fitted with a freestanding oven, grill and hob, work surfaces, sink/draining board and ample storage cupboards underneath. The cabin also contains a solid fuel stove and a dinette area which converts to a double berth.

Outside, there is a solar panel on the roof, together with fenders to the front and sides of the boat.

12 months leisure mooring for the price of 9 at Gayton or Anderton Marina when purchasing this boat.
