

Tsitsikamma

Hilperton Marina **£58,500**

A 63ft 2000 Kingsground Narrowboats 4 berth cruiser stern narrowboat.

A rare opportunity to own a very well-presented cruiser stern narrowboat, built by Graham Reeves and fitted out by the highly respected Kingsground Narrowboats.

Entering the boat from the rear deck is a large storage room with plenty of cupboards and shelves, as well as all the boat systems controls.

Forward of this is the sleeping cabin which has a fixed double bed with drawer underneath. There are further cupboards and drawers as well as an overbed cupboard with reading lights.

A corridor leads to the shower room. This has a shower enclosure with glass doors, vanity unit with hand basin and electric pump out toilet.

The fore end of the boat is open plan. The galley has ample worktop space and is well equipped with a gas oven and hob, 12V fridge and stainless sink and drainer. Beneath the worktops are storage cupboards and drawers. There is also a full-height pull out storage unit.

The Pullman style dinette and table is raised so that you sit at window level. This converts to a temporary double bed. Opposite is a side opening hatch which provides additional light and ventilation.

The saloon is of a good size and suitable for loose furniture.

At the bow end are two corner cupboards one of which has a CD & Mini Disk player as well as a TV point. Steps lead through double doors to the front deck.

Tsitsikamma is equally suitable for leisure or extended stay and has everything needed to start cruising straightaway.

12 months leisure mooring for the price of 9 at Gayton or Anderton Marina when purchasing this boat.

To arrange to view, please contact Hilperton Marina on 01225 765243.
