

Ventured II

Hilperton Marina

£35,950

A 60ft 1999 Anyho Wharf Boatbuilders/Jonathan Wilson Hull

4-6 berth cruiser stern narrowboat.

Recently refitted by the current owner, Ventured II is a highly adaptable boat which will suit many needs. Panasonic solar panels and controller were fitted last year, and there are 6 leisure batteries.

Entering the boat from the cruiser stern is a large cabin. This is currently used as an extra living space and has a 'futon' which provides seating or an additional bed. The space would be equally suitable as an office or other use.

Forward of this is the shower room. This is fitted with a shower cubicle with bi-fold doors, a cassette toilet and a vanity unit with hand basin.

Moving through a door is the main sleeping cabin. This has a fixed double bed. Storage is provided under the bed and in an overhead cupboard.

A further door leads to the open plan galley/saloon. The galley is well equipped with a 12v fridge, gas oven/grill and 4-burner hob. A stainless steel sink and drainer is inset into the solid wood worktops beneath which is ample cupboard and drawer space.

The large saloon has a solid fuel stove in one corner and a fixed seating bench.

There are opening side hatches, one in the galley and one in the saloon.

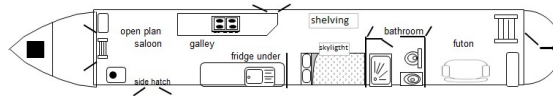

Glazed doors lead onto the front deck.

Ventured II would be equally suitable for leisure, extended stay or as a live aboard boat.

Additional information

Overplating to the lower hull sides was carried out in 2016.
